

# ELECTRONIC TECHNICIAN

We are looking for an electronic technician to join our test department. Our technicians use a variety of different test equipment to test, inspect and repair the assemblies we build prior to shipment to our customers.

A 2 year degree in electronics or a related field is required. Recent graduates are encouraged to apply as we are willing to train a bright, motivated individual who is interested in becoming a long-term addition to our team.

We offer excellent pay and benefits including:

Vacation, health insurance, long-term disability, group life insurance, 401K and bonus and profit sharing as well as an excellent work environment.
